

THE H. B. PLANT HIGH SCHOOL CHORUS BOOSTERS 2020 - 2021

YOU'RE INVITED!

I would like to extend to you, your family members and local business owners an opportunity to support the Plant High School Choral Program by becoming a member of the Chorus Booster Club.

As an organization, the Plant Chorus Boosters support and promote the entire vocal music program at Plant High School. In doing so, we not only provide more meaningful and rewarding experiences for our chorus students but also contribute significantly to the cultural enrichment of our campus and our community. Plant Chorus Boosters provide the assistance, financial and otherwise, that is so vital to the maintenance and continued growth of the choral program, the individual growth of each of our students, and the continued excellence of the performing arts at Plant High School.

Over the course of my 25 years as Director of the Plant High Choral Program, I have been blessed with the exceptional and generous participation of nearly 100% of our chorus families as boosters each year. Anyone who appreciates and supports students and the performing arts can become a Plant Chorus Booster Member. With your help, we can realize the full potential of a vigorous and thriving vocal music performance program.

In the unprecedented circumstances we find ourselves in this year, booster member benefits remain tentative. These will be honored to the extent that we can do so in a safe manner and in compliance with CDC and Hillsborough County School District guidelines. I ask you to look into your hearts and consider your membership a donation that will enhance your child's experience and the experience of the entire chorus program.

Thank you so much for your support. It's going to be a fantastic year!

BRUCE YOST
CHORAL DIRECTOR
H. B. PLANT HIGH SCHOOL

"You Make the Difference!"
